Session Objectives

- Expectations of Fiscal Systems
- Understand Fiscal Application Requirements
- Know how to develop an AmeriCorps budget

Fiscal Systems

AmeriCorps Grant Provision Requirement:

- Financial management systems must be capable of distinguishing expenditures attributable to this grant from expenditures not attributable to this grant. The systems must be able to identify costs by programmatic year and by budget category and to differentiate between direct and indirect costs or administrative costs.

Administrative Accounting System

- Distinguish grant verses non-grant related expenses
- Identify cost by program year & budget category
- Differentiate between direct and indirect costs
- Account for each award/grant separately
- Record in-kind contribution as both revenue & expense
- Provide management with financial reports at both the summary or detailed levels that will compare outlay with budget amounts
- Correlate financial reports submitted to CNCS directly to accounting information and supporting documents

Documentation

- Required by state and federal regulations
- Assists during monitoring activities, audits, or site visits
- Keep organized by grant, program year, and type of document
- No documentation may mean costs are disallowed

Audit Requirement

- Uniform Administrative Guidance
 - Required for applicants that receive more than \$750,000 in federal assistance
- Audited Financial Statements
 - Required if receive less than \$750,000
- If an audit is in progress but not ready by due date, a memo can be submitted
 - If audit is not received by May 2019, application will be disqualified

DUNS and SAM

- Applicants must:
 - Obtain a Dun and Bradstreet University Number System (DUNS) Number
 - Provide Employer Identification Number
 - Have active registration with the System for Award Management (SAM) at the time of application
 - Maintain active registration with SAM throughout the life of the grant
- Register as soon as possible to avoid delays or disqualification

Cost Sharing or Matching

- Required for cost reimbursement grants
- 24% for first time applicants
- Increases after year 3 to 50% at year 10

AmeriCorps Funding Year	1, 2, 3	4	5	6	7	8	9	10+
Match Requirements	24%	26%	30%	34%	38%	42%	46%	50%

Acceptable Match

Cash and in-kind must meet criteria:

- Verifiable from the grantee's records and properly documented
- Necessary and reasonable for proper and efficient accomplishment of program objectives
- Allowable under the applicable OMB cost principles
- Not paid by the federal government under another award, except where authorized
- Are provided in the approved budget
- Conform to other grant provisions or OMB Circulars

Cost Per Member Service Year (MSY)

- Total Federal Share of budget / MSY

Grant Program	Maximum
Cost reimbursement	\$15,192
Full-Time Fixed Amount	\$15,192
Professional Corps	\$1,000
Education Award Program	\$800
No-Cost Slots	\$0
