Your inability to provide the assurances and certifications listed below will not necessarily result in denial of a grant. You must submit an explanation of why you cannot do so. We will consider your explanation in determining whether to enter into this transaction. However, your failure to furnish an explanation will disqualify your application.
- b) Erroneous certification or assurance  
The assurances and certifications are material representations of fact upon which we rely in determining whether to enter into this transaction. If we later determine that you knowingly submitted an erroneous certification or assurance, in addition to other remedies available to the federal government, we may terminate this transaction for cause or default.
- c) Notice of error in certification or assurance  
You must provide immediate written notice to us if at any time you learn that a certification or assurance was erroneous when submitted or has become erroneous because of changed circumstances.

The terms “covered transaction”, “debarred”, “suspended”, “ineligible”, “lower tier covered transaction”, “participant”, “person”, “primary covered transaction”, “principal”, “proposal”, and “voluntarily excluded” as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549. An applicant shall be considered a “prospective primary participant in a covered transaction” as defined in the rules implementing Executive Order 12549. You may contact us for assistance in obtaining a copy of those regulations.
- e) Assurance requirement for subgrant agreements  
You agree by submitting this proposal that if we approve your application you shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by us.
- f) Assurance inclusion in subgrant agreements  
You agree by submitting this proposal that you will obtain an assurance from prospective participants in all lower tier covered transactions and in all solicitations for lower tier covered transactions that the participants are not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction.
- g) Assurance of subgrant principals  
You may rely upon an assurance of a prospective participant in a lower-tier covered transaction that is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless you know that the assurance is erroneous. You may decide the method and frequency by which you determine the eligibility of your principals. You may, but are not required to, check the List of Parties Excluded from Federal Procurement and Nonprocurement Programs.
- h) Non-assurance in subgrant agreements

If you knowingly enter into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the federal government, we may terminate this transaction for cause or default.

i) Prudent person standard

Nothing contained in the aforementioned may be construed to require establishment of a system of records in order to render in good faith the assurances and certifications required. Your knowledge and information is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
